

Las Vegas Day School

LAS VEGAS, NEVADA

JACK E. DASELER
Director

DIRECTOR'S MESSAGE

The Las Vegas Day School was founded with a philosophy based upon the individual. Our program has been and will continue to be based on this philosophy. Knowing each child as an individual and allowing him to progress at his own performance level makes education the interesting experience it should be.

It will remain our goal to challenge each child to his capability, thereby stimulating additional learning.
