

LAS VEGAS DAY SCHOOL

LAS VEGAS, NEVADA

1967 - 1968

JACK E. DASELER

Director

DIRECTOR'S MESSAGE

As we complete our seventh year in providing an educational program for youngsters in the Las Vegas area it is interesting to reflect upon the accomplishments of our facility and staff.

Working on the individual approach and maximum performance philosophy, we have, I feel, provided a program whereby each youngster may achieve a maximum of success in school.

Such success should prepare him well for future life experiences.
