

Las Vegas Day School

"Our Best Record Ever"

1979

Las Vegas, Nevada

The 1978 - 79 Yearbook is dedicated to Bill and Hilda Covey. Their two children Rhea and Bill were among our first 17 students. Faced with finding a suitable facility or building, Bill and Hilda offered us the present land upon which the school stands. By subordinating the land to us, they not only provided a school site, but also provided borrowing power. We will forever be grateful for this generous and kind act.

Guess Who?

Don't be fooled by the pink bow, I'm tough.

I can't figure out why they call me "the pig".

Some of it got in my mouth, I think!

The Lion and I are leaving.

I'm the one holding the Rabbit.

Playboy wanted me to be this months foldout.

My first Cheerleading outfit. The guys loved it.

Everybody loves my Duck.

It's my cake and I'll put my finger in it if I want to!

Don't stand on your chair kid!!

What do I do now?

Going my way cutie?

How do I get back
in the cake??

I was a wild and crazy
kid too. . .

I was always
short and cute!

I still love my train set.

John Michael & cigar.

What's up Doc?

I'm still a basket case.

Always a Lady.

No, I won't smile!

I didn't shave this morning
because I thought I might
grow a mustache.

Wait a second
I'll wink.

See, I can be mean!

I'm hungry, feed me!

Hilll

I was cute before
I got my braces.

You'll have to ask
my hairdresser.

Huh??

Like my two
new teeth?

I always did take
good pictures.
