Discover Your Child's Potential

GET READY FOR MIDDLE SCHOOL

We are excited to offer Middle School Prep this summer at Las Vegas Day School open to students going into sixth grade. The summer program will feature small class sizes for individualized learning and be taught by certified LVDS middle school teachers.

Middle School Prep is a wonderful opportunity to sharpen up your child's skills in Literature, English and Mathematics. Our outstanding program offers a well-balanced combination of stimulating academics and an enjoyable learning environment to get ready for middle school. Middle School Prep is limited to the morning so students can enjoy a fun filled afternoon at X-Treme Summer Camp.

Give your child every advantage. It is worth it!
