

The Las Vegas Day School was founded by Jack and Helen Daseler in 1961. The school started with 27 students and has grown to an enrollment today of 460 students.

We are extremely proud of the growth and development of the Las Vegas Day School. The addition of new facilities, programs and activities have enhanced the opportunities available to our students. Our students' growth intellectually, socially and emotionally in school and through student organizations, sports and activities will remain our uppermost priority.

We hope you enjoy your yearbook. It is a keepsake to cherish the pleasant memories of your past year at the Las Vegas Day School. It will provide a lifetime of opportunities to reflect back upon your days as a student here as you move forward in your education. We trust you will take these happy memories with you.

Sincerely,

NEIL H. DASELER

SPECIAL THANKS

We salute the efforts of those students who have worked long and hard to make this yearbook such a success. You have done a marvelous job.
