

WDS

SCORPIONS

1991-1992

The Las Vegas Day School was founded by Jack and Helen Daseler in 1961. The school started with 27 students and this year our enrollment is 470 students.

This past year has seen a lot of changes at the Las Vegas Day School. Probably the biggest physical change is the adoption of uniforms. We are pleased with the campus look which reflects the neat and attractive appearance of our students.

Our philosophy continues to be one of encouraging our students' learning by providing them with a challenging curriculum in a stimulating, enjoyable environment. The conscientious efforts of our staff help each child to attain a sense of belonging and security. We also strive to create the well rounded student through their involvement in extra-curricular activities, student organizations and sports.

We hope you will enjoy your yearbook and the pleasant memories it carries with it. It will provide numerous opportunities to reflect back on the good times you have shared with us at the Las Vegas Day School.

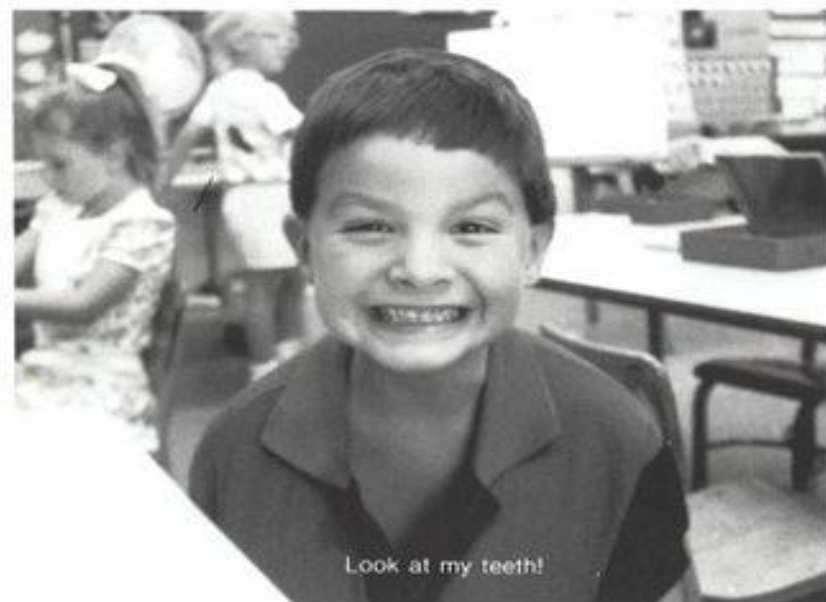

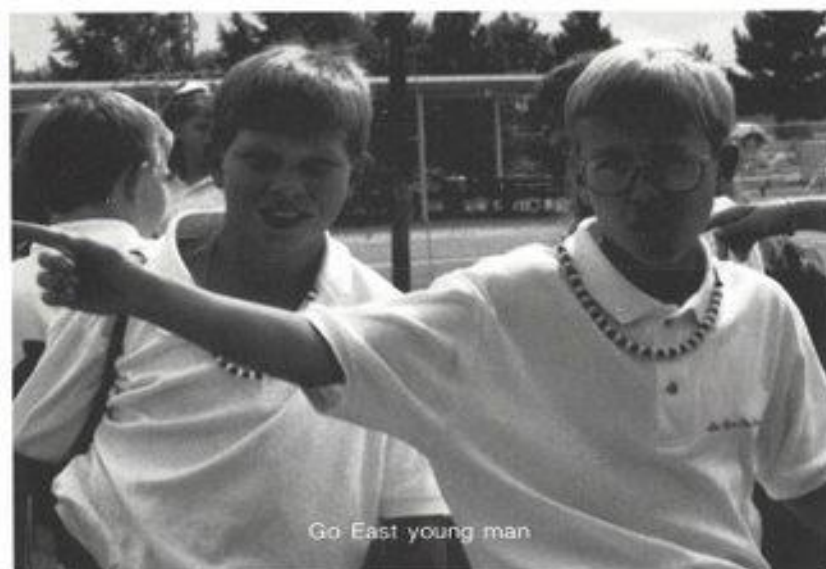

Sincerely,

NEIL H. DASELER
Director

SPECIAL THANKS

Lynn: It seems that only yesterday you were crawling around the floor like a little bug and we could stand you on the kitchen counter without your head touching the bottom of the cabinet. Now you are a young woman, taller than your mom, about to enter high school.

In the 13 years that we have been lucky to know you, you've been the best daughter that anyone could possibly dream of, you've given us so much pure joy and made us proud of you over and over again. Thanks for the wonderful memories and best wishes for a future filled with great new experiences, achievement and happiness!

Your Mom, Dad & Brother Jimmy

You have the power to make things better
to solve each problem one at a time,
to take each day as it comes.
To stick to your goals, no matter what,
and press on toward your dreams.
To look for the bright side, even though it
may be temporarily covered by a cloud.
To smile often, even when a frown feels
more natural.
No matter how difficult it may seem,
you have within you the power, the ability,
and the knowledge to make things better.

For making me so very proud and so very happy.
Thank you, for being you!
