Sabrina,

Some say the recipe for success is:

To laugh often and much;

To win the respect of intelligent people and affection of children,

To earn the appreciation of objective people and endure honest criticism;

To appreciate beauty;

To find the best in others;

To leave the world a bit better, whether by a well-raised child, redeemed social condition, or the provision of a loving home;

To know even one person has breathed a little easier because you have lived;

To accomplish this is to have succeeded

Moonbeam, you exemplify these characteristics. Remain valiant and endure to the end and your reward shall be great. You are a very special daughter, you are the light of our lives, always remember we will always be there for you.

All our love,

Dad & Mont

OVER THE YEARS WE HAVE WATCHED YOU GROW INTO A FINE YOUNG MAN. WE ARE QUITE PROUD OF YOU. CONTINUE TO REACH FOR THE STARS. GOOD LUCK IN HIGH SCHOOL.

WITH MUCH LOVE,

MOM, DAD, AND KAMALI

There's a hero, if you look inside your heart You don't have to be afraid of what you are There's an answer if you reach into your soul And the sorrow that you know will melt away

And then a hero comes along with the strength to carry on And you cast your fears aside
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you

Its a long road, when you face the world alone No one reaches out a hand for you to hold You can find love if you search within your self and the emptiness you felt will disappear

Lord knows dreams are hard to follow but don't let anyone tear them away Hold on, there will be tomorrow In time you'll find the way

And then a hero comes along with the
Strength to carry on
And you cast your fears aside
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you
