DEAR CHILDREN

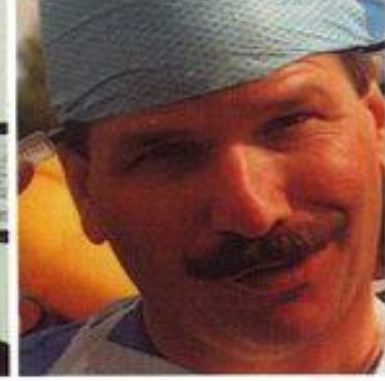

Thank you for the drawings and letters from the children in your class. Please convey to them our gratitude for the concern and compassion they have shown to us in this difficult time.

We have received an outpouring of kindness from the children of America in such letters as those you sent and we have taken the letters and drawings to fire stations all over the city so that they can be displayed where firefighters can see them. We also placed as many pictures as would fit in the front window of our building so that other New Yorkers could see them as they pass by.

Again, please let the children know how much their kindness means to us.

Sincerely,

*Uniformed Firefighters Association
Widows and Children's Fund*

As Kipling wrote:

If you keep your head when all about you

Are losing theirs and blaming you;

If you can dream - and not make dreams your master;

If you can think - and not make thoughts your aim;

If you can meet with triumph and disaster

And treat those two imposters just the same;

Yours is the Earth and everything that's in it,

And - which is more - you'll be a Man my son!

We are proud of you!

Heidi,

Ten years have passed since you entered LVDS as a student in their first Pre-Kindergarten class, and now you are graduating and on your way to High School. You entered a shy, yet always smiling little girl: You leave a not-so-shy, smiling, beautiful young lady.

We hope that you take the values and lessons you have learned and continue to use them wisely in the years to come.

You may have entered this world as Taylor's twin and yet to us you have shown that you are a strong individual with ideas and goals of your own. With your great love for life you will succeed at anything you set out to do, for your beautiful, funny and smart!

And remember you are always #1 to us (just don't tell Taylor). Congratulations and Thank you for being you!

Love, Mom, Dad, Whitney ('98), and Taylor (P.S. We love your butterfly kisses)

Taylor,

It seems like just yesterday you were starting Pre-Kindergarten. Ten years have passed since that day and now we celebrate you graduating from LVDS. You entered LVDS as a sweet, little girl full of laughter and always looking at each day with such enthusiasm and wanting to share that enthusiasm with everyone. You leave a beautiful young lady still full of laughter and that same enthusiasm.

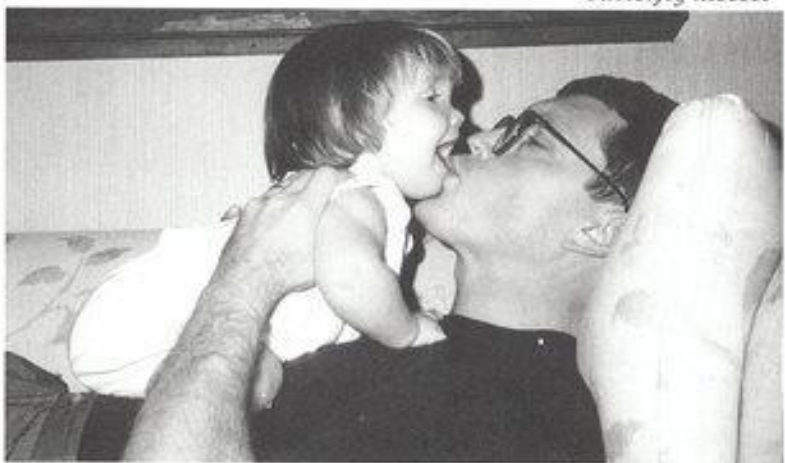

We hope that you take the lessons and values you have been raised with and continue to use them wisely during these next four years.

You have always been known as Heidi's twin, your name is always after Heidi's, but to your family, you are just Taylor!- Beautiful, fun, full of laughter and smart, and most importantly, you are your own person, and you will succeed at anything you set your mind to! In our eyes you are always #1 (don't tell Heidi).

Congratulations and Thank you for being you!

*Love,
Mom, Dad, Whitney ('98) and Heidi*

P.S. Never stop leaving your butterfly kisses.

Alex:

We are so proud of you. Your spirit and independence inspire everyone you meet. Keep your fantastic sense of humor and love of life. That is truly your gift.

Get out there and achieve miracles. We know you can do it!

Kaitlyn,

You have always been strong-willed and determined. Once your mind is made up there is little that can stand between you and your desire to achieve.

How charged with punishments the scroll,
I am the master of my fate,
I am the captain of my soul."*

When we each grow up and choose a partner for life, we hope he will be just like "Our Daniel".

We thank you for loving us and making us always laugh. You've made us happy and full of life.

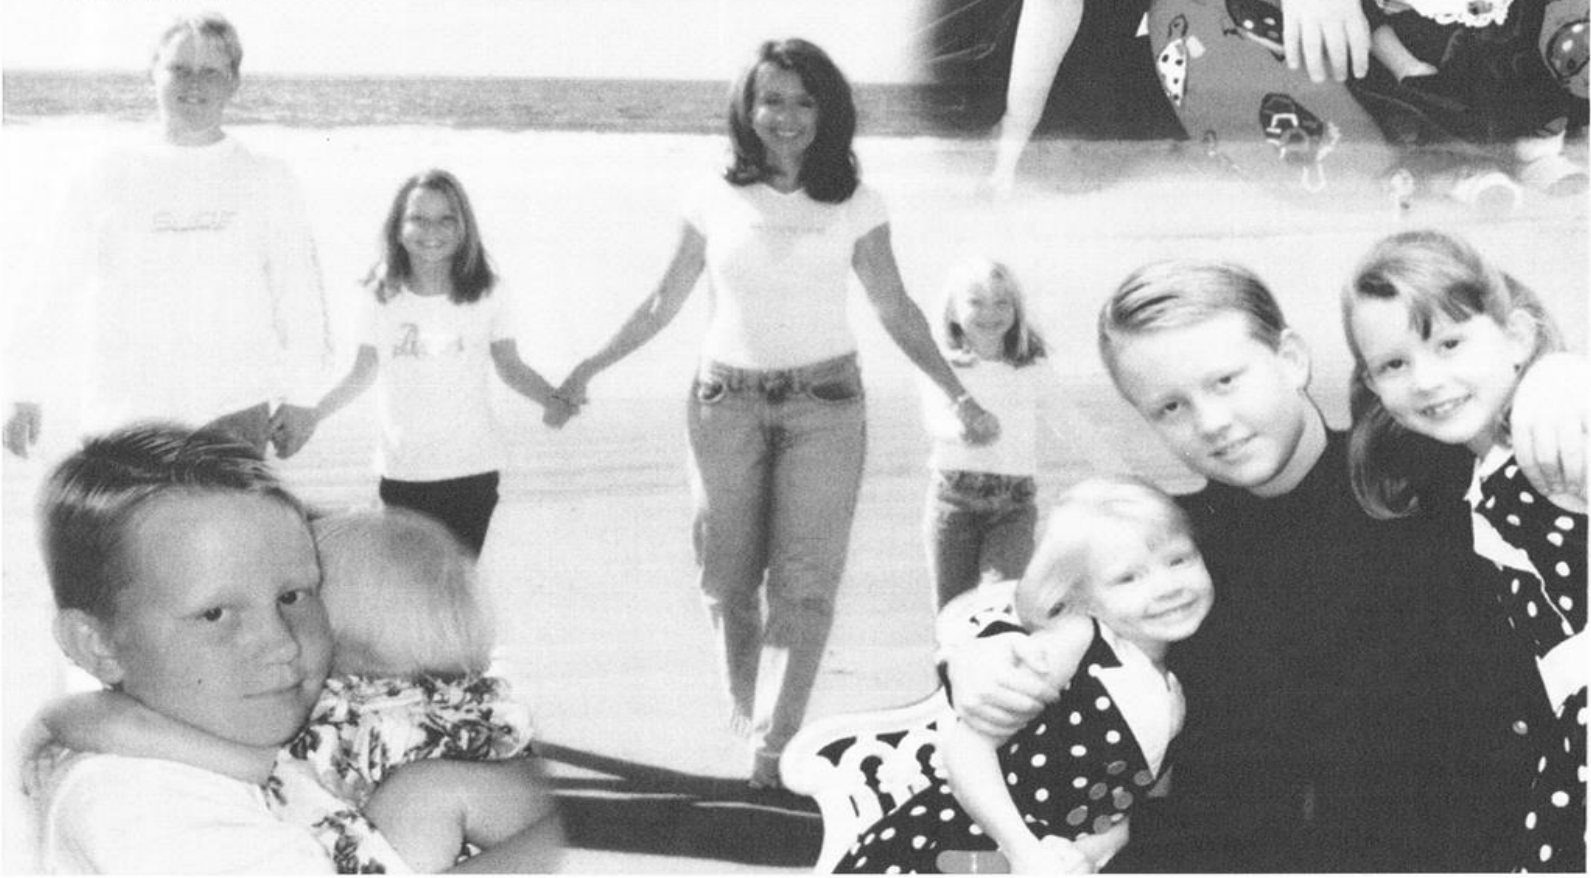

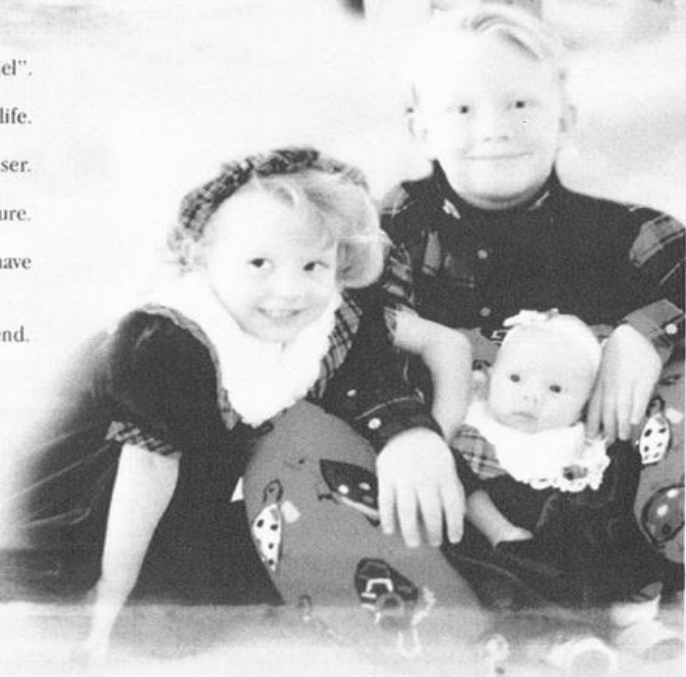

We thank you for teaching us and even for tormenting us. You've made us stronger and wiser.

We thank you for protecting us and having patience with us. You've made us always feel safe and secure.

We thank you for always motivating us and being our role model. You've given us confidence and have pushed us to live outside the box.

We thank you for being such a perfect brother. We thank you for being such a perfect friend.

You are our hero!
Daniel, we love you!
Your sisters,
Michelle and Jaclyn

On a hot August day in 1988, you came into my life. And my world has never been the same since. I sometimes wonder what I ever did before I had you.

It has been 5,045 days since your birth - That's 7 million 264 thousand minutes. And not one of those minutes have you given me anything but love, joy, pride, personal growth, and a greater sense of life.

I've never known anyone that has your heart, your soul, and your spirit. You find the best in everyone and you bring out the best in those you touch.

You are moving on to another phase of your life. You have memories and life lessons that you have acquired from your LVDS experiences.

You are so well prepared to do anything you set your mind to do. I am so proud of the person you have become. I am so proud of the love and caring you show to your sisters, grandparents, and friends.

I am so proud to be your mom.

I love you, Daniel.
