It's hard not to be too proud of you. You've taught us about ourselves and about life, even as we've tried to teach you. Well done, son. It's been a pleasure all the way. May we be the wind beneath your wings. We wouldn't change a thing about you....well, 'cept, maybe, could you get up after at least the second wake-up call? :)*

### *Kellilyn,*

*We can't believe that eight years have gone by and you will now be leaving LVDS behind you. We look at the person you have become and are proud of who 'you' are. You have a warm heart and a kind spirit that draws people to you. Your 'quietly competitive' nature will help you achieve whatever you strive for. Never let go of that 'child' within you and never let the sun set on any of your dreams. Remember, anything is possible if you 'want' it bad enough. We are your biggest fans, and will always be there for you.*

*Congratulations, Boo!!!*

*All our Love,  
Mom, Dad and Danny;  
and of course Tucker,  
Sedona, Charlie & Chloe*
