We can't believe our baby is graduating from the Day School! We are so very, very proud of you! Your poise and confidence in school matches your poise and confidence on the dance floor. Whether it's yourcompetitiveness in the jump rope contest or performing a routine in Australia, whether it's your creativeness in writing a scary story or choreographing a fun routine for your students whether it's your coolness in delivering a speech in front of your school or being interviewed on stage in front of an audience you have demonstrated all of these qualities while remaining a good and caring person. The Lord has blessed you with so many gifts, but He has truly blessed us with you. Congratulations on your graduation Melissa- just remember you'll always be our baby and we love you.

Mommy and Step-Dad (Alvin)

Ode to Nicholas Eisenberg

The moment has come to say "good-bye,"
In looking back, how time does fly!
"Day School Graduate!" we shout with joy,
Grandpa would say, "That's my boy!"

In showing you the road to success,
Wearing khaki slacks or having "free dress,"
Working hard made us proud of you,
You had your share of detentions too!

We couldn't persuade you to attend a school dance,
But with student-body elections you took a chance.
"Pick Nick" on posters is what you wrote,
You ran for president and got the vote!

"AR Points" and "Spelling Words" this is it,
I won't miss them one small bit!
Adios to the Social Studies and Science Fair,
The "Five-Minute Speech" was cause for grey hair!

And let's not forget all the crazy things,
That being with your friends brings.
With your roommates in Boston and very little rest,
You were required to take a breathalyzer test!

A few last thoughts before you go,
Our support for you will always show.
Whatever the future, come what may,
We love you more than words can say!

Love, Mom and Dad

Lauren,

We are so proud of your accomplishments. We know how hard you've worked at school and your efforts haven't gone unnoticed. Your decisions to persevere and get the job done will always be an asset to you and something you should be proud of.

You see laughter and humor in everyday life that most people cannot. What a blessing!! Your loyalty to your friends and your intense love for animals are qualities you will cherish for your entire life. Your compassionate nature toward all living creatures will always fill your heart - especially when that love is returned.

Always be quick to smile, help those in need, and love every day to the fullest, and remember - we will always be here for you whenever you need us!!!!

We love you so much,
Mom, Dad, and Brian

I am so proud of the person you are Samantha, both inside and out! In the coming years, I hope you will always remember to choose your friends well and treat them like the treasures they are, make your decisions carefully, mindful of the consequences that will surely follow, and know that forever, no matter what, I will be in your corner ready to listen to you, laugh with you, cry with you, and love you always.

Lindsey,

It seems like only a short time ago you were our little "Chicken Foot," so quiet and cute. All of the sudden you're leaving your childhood behind and becoming a very talkative and beautiful young adult. We are so very proud of the way you have carried yourself through all of the joyous and hard life lessons that have already crossed your path. Even when we might have had our doubts or worried for you, you have shown us your strength, grace and love for yourself, your family and your friends. We couldn't be more proud of you!

As you look toward your future, please remember to always be true to yourself and God. The past is not important. A wonderful future is dependent on your ability to only love and appreciate every moment of the present.

We love you!

My Wish For You

I hope the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're faced with the choice, and you have to choose,
I hope you choose the one that means the most to you.
If one door opens to another door closed,
I hope you keep on walkng 'till you find the window,
If it's cold outside, show the world the warmth of your smile.

I hope you never look back, but you never forget,
Alll the ones who love you, and the place you left.
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And always give more than you take.

Oh more than anything, more than anything,
My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this is my wish.
